## Practice Nurse Vacancies Part time

Framlingham Medical Practice is a forward thinking 5 Partner rural GP practice. We are looking for an enthusiastic, and self-motivated Practice Nurses to join our busy and supportive Nursing team. We operate from 2 dispensing sites in Framlingham & Earl Soham delivering high quality care to our patients. We are a high-achieving, well-organised training practice and use SystmOne.

We are currently seeking 2 Practice Nurses that are RGN qualified with current NMC registration. Knowledge of SystmOne would be an advantage but not essential.

It would be great if you have previous Practice Nurse experience but if you are newly qualified and wanting to work in a GP Practice we can offer training.

If you would like to know more the Practice Manager and Team lead would be happy to show you round the Practice and talk to you about the role. Further details and an application form are available on our website: [www.framlinghamsurgery.co.uk](http://www.framlinghamsurgery.co.uk)

Completed application forms should be returned to [iesccg.framlingham-medical-practice@nhs.net](mailto:iesccg.framlingham-medical-practice@nhs.net)
