

Framlingham Medical Practice

Care Navigator Vacancies

X 3 part-time vacancies

Due to staff development an exciting opportunity has arisen to join our friendly and supportive Reception Team. Are you flexible, motivated, friendly and able to multi-task in a busy environment? If so we would love to hear from you.

The role involves working with a range of healthcare professionals and requires excellent IT, organisation and communication skills. Experience of working in a GP Practice environment is an advantage but not essential as we can offer training and career progression to the right candidate.

If you would like to know more about us pop into the practice for a chat with the Reception Team lead or look on our website for further details and an application form:
